

DISASTER PREPAREDNESS FOR CATS

Checklist of Essentials to Keep Your Cat Safe in an Emergency

FOOD & WATER

- CANNED CAT FOOD:** Long-lasting, high water content.
- FREEZE-DRIED/DEHYDRATED CAT FOOD:** Lightweight, long shelf life, nutrient-dense.
- DRY FOOD:** Sealed, long shelf life.
- BOTTLED WATER:** 7-day supply, with collapsible bowls.
- PORTABLE WATER FILTERS/PURIFYING TABLETS:** Ensure access to clean drinking water.

HYGIENE

- LITTER BOX:** Portable litter box or extra disposable trays.
- WASTE BAGS:** For proper disposal of used litter.

FIRST AID

- FIRST AID KIT:** Include bandages, antiseptic, and medications.
- SPECIFIC MEDICATIONS:** Any required medications for your cat.

TRANSPORTATION

- CARRIER:** Sturdy carrier, practice evacuation procedures.
- COLLAPSIBLE WATER/FOOD BOWLS:** Compact bowls for travel.

DOCUMENTATION

- MEDICAL RECORDS:** Keep a copy of your cat's medical history and medical insurance.
- MICROCHIP DETAILS:** Ensure microchip information is up-to-date.
- WATERPROOF FOLDER:** Store all documents in a waterproof folder.

EXTRA SAFETY & CONFORT CONSIDERATIONS

- AUTOMATIC FEEDER:** With backup battery option.
- WATER FOUNTAIN:** With backup battery option.
- BLANKET, BED, TOYS:** Familiar items to reduce stress.
- FAVORITE TREATS:** Helps to calm your cat.
- CALMING SUPPLEMENTS:** CBD oil or chews, or sprays like Feliway.
- GPS CAT TRACKER:** Real-time location updates.
- MICROCHIP & ID TAGS:** Ensure up-to-date contact information.
